

## Prediction in a daily chart. 04/07/2010

Hi friends,

I was asked from a principal of a Chicago based prop fund if I had tried anything on a shorter term time frame.

I must say yes. Yes now.

Take a look at the daily chart of the Dow. I only showed the three most relevants tops and bottoms:

If you wanna see it bigger: <http://www.jrbolsa.com/100704DowDaily.gif>

Regards,  
Jr

*(excuse me for my poor english)*
